SCHOOL CONTRIBUTIONS AND CHARGES 2026

The State Government and the Department of Education permit the school to seek payment of Voluntary Contributions and Charges for each student enrolled at the school. The Voluntary Contributions provide the school with funds to supplement our own resources in purchasing materials and resources valuable in the education of students enrolled at the school. The Voluntary Contribution and Charges schedules have been endorsed by the School Board and are published here to inform parents of anticipated costs for 2026.

K-6 CONTRIBUTIONS – VOLUNTARY		Amount
In accordance with the Department of Education Contributions, Charges and Fees Policy, schools can request up to a maximum contribution of \$60.00 for Years K-6. The funds are used towards the cost of materials, services and resources used by students in the educational program. Contributions collected at this school contribute to: • Teacher Resources, workbooks & exercise books K-6 • Consumables K-PP • Library and Reading Books K-6 • For each student		\$ 50.00 per child
K-6 CHARGES FOR OPTIONAL ACTIVITIES THROUGHOUT THE YEAR		
Charges apply for the provision of extra cost optional activities that are part of an education program and which 'contributions' do not cover. All activities outlined below are optional and if no payment is received, an alternative educational activity will be provided for your child. All 2025 extra cost optional activities have been approved by the School Board. The estimated costs provided are set as an upper limit and will not exceed the amount shown. If a particular event does not transpire within the school year, no charges for that event will apply.
